

# Executive Chair

Model **20621+20624+**  
**20625**

## Swivel Chairs + Stool

Using our new Body Balance mechanism, this chair helps you sit healthier by automatically adjusting to your posture throughout the day. As the chair adjusts, the two-piece design helps to keep your legs in the correct, level position – even when you recline. The advanced ergonomics of it makes it a great option for conference rooms, stool seating, and even task chair applications.
