

Model No. **PL122**

Laminate, Vertical Hutch Organizer

A great add-on that can significantly amplify your desk storage capacity while infusing your office suite with sophistication. This is a black colored and vertical style hutch organizer that features a smart storage system with adjustable shelves, to help keep your work space well-organized and clutter free. This hutch is carefully crafted from high quality wood and engineered ingeniously with a laminate finish for unmatched durability and scratch resistance. This vertical hutch organizer can be placed on top of flat surfaces and large desks. The black color of this vertical hutch organizer will accentuate your workspace and complement your office decor brilliantly.
